

Dear Guest,

We are pleased you have chosen to spend your time with us at Alpasión Lodge. We hope you will enjoy the Alpasión Experience here at the foothills of the Andes Mountains in the heart of Argentina's newest wine center, the Uco Valley.

In the next few pages, you will find a listing of our services, activities, and meals, and snacks. If there's something you'd like that you don't find here, please ask us, and we'll do our best to provide it for you.

Finally, please remember that we have a non-smoking policy inside the Lodge and around the vineyards. Smoking is only allowed in the designated areas (outside the restaurant and terraces). A \$250 fee will be imposed if this condition is violated in order to return the premises to their pristine condition.

We hope that you make Alpasión your home away from home...

Enjoy your stay with us!

Sincerely,

The Alpasión Family

FOOD & BEVERAGES

Alpasión wines,
the perfect partner with
any meal....

Alpasión Lodge & Restaurant is pleased to provide meals and snacks throughout your stay. We will do our best to fulfill special requests. Please let us know your dietary requirements and preferences upon arrival if you have not already done so in your advance booking.

We take pride in the magnificent local produce. Therefore, most of the ingredients used in our cuisine come from our garden and from small local producers in the area. Our menus change quarterly based on the ingredients available each season, making a Mendocine mountain cuisine.

BREAKFAST (at your convenience; always available from 8-11 am) - is included in your room rate and features a typical Argentine assortment of fresh home-made pastries, fresh fruit salad, and fresh fruit juice and eggs. All breads and pastries are homemade and baked daily. The yogurt, almond milk, and jams are also made on site. The honey comes from the bees that we have at the far end of the farm. The salmon is also cured on site. Early morning coffee can be available on request the night before.

We offer at an additional charge, the following:

LUNCH (12:30 – 3:30 pm) - is available at our restaurant.

DINNER (8 - 11 pm) - is available at the lodge or restaurant.

UPON REQUEST:

- Take-away "picnic lunch" normally consisting of cold meats, sandwiches, fruit, water and the wine of your choice.
- "Snack in a Bag" fresh seasonal fruit, fresh cookies, and bottled water.
- Light Lunch consisting of a light soup and salad from our garden, cheeses and cold meats.
- Alpasión Signature Sandwiches and Burger on homemade bread are available throughout the day.

BEVERAGES

We hope you will enjoy our Alpasión wines. In addition, we are pleased to provide scotch, rum, whiskey, liqueurs, beer, and soft drinks among others.

Prices and a wine list are available with our staff.

CAR RENTAL

If you haven't rented a car at the airport and decide you want to rent one for your stay at the Lodge, our Lodge Manager will be pleased to make arrangements for you. Prices depend upon the length of rental and model of vehicle, as usual. We will arrange for the vehicle to be brought to you and for its return to the agency.

CAR AND DRIVER

We can hire a car and driver for you on an hourly or daily basis so you can enjoy touring Mendoza Wine Country at your leisure. Please ask the Manager for further details and pricing.

Since the Lodge is 1.5 hours from the airport, you may want to consider staying in the city the first night or the last night of your trip, especially if you've had a long journey or if you have an early flight. There are plenty of hotels and nice restaurants in the city.

WINERIES

There are three main wine regions: The Uco Valley (where Alpasión Lodge is located), Maipu and Lujan de Cuyo. You'll find many fine wineries within a 30-minute drive from Alpasión Lodge.

You can enlist the aid of a wine tour agency in Mendoza city in planning your trip, or you can plan your own with our help. Some wineries are closed on the weekend and on holidays, so advance planning is essential.

Winery tours last about 90 minutes; three or four visits in a day are about all most people can handle, especially if there's a lunch involved! Most wineries charge a small admission fee; some do not take credit cards, so be sure you have cash with you!
